Ha Jin has been a lot better ^ ^.
Thinking about it now, we're very
lucky when Ha Jin's accident
wasn't related to your mum.

Naturally, I was really surprised
when you said that you'd follow
your mum to England.

It's been three years. When will
you come home? I miss you a lot.
And recently, you haven't been
calling me. If you keep that up, I'll
be cheating on you!

No! No, that's not true. You know

lot. There is always only you.
